Deterring the Use of Weapons of Mass Destruction : Lessons from History COMPARATIVE STRATEGY, vol 14, no 4, 1995, p 347 -359 The identification of 'how to deter' the use of WMD, in practice, is a question of how to deter an opposing leadership from extreme provocations under specific circumstances The size and type of the US threat, and how, when and to whom it should be ...

Everything We Think About Schooling Is Wrong!

John's latest book, Weapons of Mass Instruction, points out, everything we know about schooling is wrong In quantifiable terms - the more standardized and costly schooling becomes - the less literate and truly educated the population grows What if this is not a mistake! "At the start of WWII, millions of men showed up at registration offices to take low-level academic tests before
