What role does religion play in Romantic period writing?

What role does religion play in Romantic period writing? James Cooper Religion was a topic of considerable dispute in the Romantic period, with several perspectives vying for ascendancy and credibility The Church of England held the status of establishment church, and as such Protestantism enjoyed the privileges of this position; for instance, MPs were required to be Anglican The nature of

British Free Trade, 1850 -1914

Britain's commitment to unilateralism was breached by the 1860 treaty with France since it was based on the reciprocity principle. In Cobden and Gladstone also misunderstood the nature of the European interest in moves towards freer trade. The British statesmen believed they were helping to spread universal economic truths and a new moral order based on international peace and mutual

Gender issues reflected within nature in Jane Austen's ...

For example how does nature, as described in the novel, reflect women's rights, social class, gender perspective and character relationships? I wish to discuss how the natural surroundings of Georgian society help to create gender differences by analysing how men and women relate to nature. By understanding the differences in how men and women see and relate to nature I hope that I can
